Military Parts is committed to "First-Rate" Customer Service and Support, our site is designed to answer any questions you may have on obtaining the Government information your company may need to be competitive and profitable.

We have a quick , convenient and affordable system that provides all the information pertaining to what the Government is buying and research as to what the Government has bought in the past... here are the unique features of our service...

It's like **Google for Government**...

- Solicitations from all DoD... Department of Defense and Federal Commerce Centers. (FBO, DIBBS, Navy-NECO, Army Single Face to Industry, Army-Amcom & Tacom and Rock Island Arsenal...
- Exclusive... we provide a history of bids won other than by NSN-agencies that buy under FSG-NAIC-PSC... over 750,000 companies.
- Emails for 480,023 companies.
- We monitor daily...FBO and DoD by Keyword as well as NAIC and PSC,so any Federal Agency's bid data is provided to you via an email and in the database.
- Directory of All Sub Contractors or all Small Businesses registered with the SBA or DoD by State or type.
- Listing of Prime Companies by NAIC- business size / type-PSC and their Competitive history.
- Listing of All Contracting Officers by Zip- State- Agency and commodity bought.
- State by State listing of all bases- what is being purchased and what has been bought.
- NSN/CAGE market value for last three fiscal years.
- Drawings are provided not only at the time of bid but available via our database 24x7... a big exclusive.
- All Military and Federal Specs and Standards live on our site as part of the service.
- Commercial sales prospecting database by Zip, commodity or service.
- Extract to excel on daily bids by DoD facility as well as award history.
- Listing of all Small Business Specialist on every base.
- Only Database where all DoD acquisition sources are detailed by State

- Service contracts provided by expiration date as well as by Agency; Zip; State; Company, Keyword; PSC or FSG.
- No other Database maintains all the NSN data from DoD as well as FBO solicitations and awards (FPDS).
- The only Database providing a single search that queries both FBO and DOD by Keyword.
- Delete and forward function in "MY OPPORTUNITIES".
- Machine Shop Opportunities provides only those opportunities that include tech data. Over 600,000 sets of drawings matched with technical specs
- Expiring contracts through 2013, with Last Price Paid provides you with an estimate as the potential award

- Price of new contracts
