TITLE:

RESOLUTION NO. 2216 - SUNSETTING THE PUBLIC WORKS/ENVIRONMENTAL SERVICES ADVISORY BOARD

At the City Commission Work Session of March 13, 2018 City Manager Schubert put forth a recommendation to sunset the Public Works/Environmental Services Advisory Board due in part to a lack of clarity on the part of both board members and staff regarding the role of this board, which has minimal input on policy issues. The City Commission provided consensus to support the City Manager’s recommendation.

The attached Resolution, No. 2216, implements this recommendation and sunsets this Advisory Board upon the Resolution’s effective date.
