The Environmental Services (ES) Department is requesting authorization to purchase two (2) trailer mounted by pass pumps, in accordance with Florida Sheriff's Association Contract No. FSA17-VEL15.0. One pump will be a 4" trailer mounted by pass pump costing \$35,118 and the other pump will be a 6" trailer mounted by pass pump costing \$35,539; total purchase price will be \$70,657. The mobile by pass pumps are currently used to support repair and maintenance activities at the Wastewater Reclamation Facility (WWRF) by moving flow around processes and areas under construction.
