TITLE:

ORDINANCE NO. 2018-58 - FIRST READING - AMENDING THE FY 2018 HUMAN RESOURCES BUDGET BY APPROPRIATING REVENUES AND EXPENSES IN THE AMOUNT OF \$300,000 WITHIN THE RISK FUND

After preparing the FY 2019 Proposed Budget, which includes year-end FY 2018 estimates, projections indicate that the Human Resources (HR) Department will exceed its annual appropriation within the Risk Fund. The area where expenses are higher than budget are health insurance premiums.

Over the past several years, the City has seen an increase in the number of employees selecting health insurance, and therefore an overall increase in the number of lives covered on the plan. This development is a testament to the high quality plan provided to employees; however, the net increase each year has been difficult to project. With the additional premium costs comes an increase in revenue to the fund. An additional \$300,000 is currently projected in revenue from City and employee payroll contributions toward premium costs.

This budget amendment will appropriate the additional \$300,000 in revenue and expenses, resulting in no net effect on fund balance. Should projections change, unspent money will be returned to fund balance.

WHEREAS, the City Commission adopted Resolution No. 2194 adopting an annual operating budget for the City of Largo for FY 2018; and
