Presenter: Kim Tracy, Streets & Stormwater Manager

Department: PW – Public Works

TITLE:

AUTHORIZATION FOR THE CITY MANAGER TO EXECUTE AN INTERLOCAL AGREEMENT BETWEEN THE CITY OF LARGO AND PINELLAS COUNTY FOR MAINTENANCE OF TRAFFIC CONTROL SIGNALS AND RELATED DEVICES

In 2005, the City of Largo and Pinellas County entered into an interlocal Agreement for Pinellas County to provide operation and maintenance services on those traffic signals and the associated devices located within the boundaries or under the control of the City. In 2013, the City Commission approved an updated agreement with an effective term beginning on October 1, 2013 and terminating on September 30, 2018.

Pinellas County forwarded a new interlocal Agreement for the City’s consideration, providing the same essential services while reflecting changes being implemented as part of the Intelligent Transportation System (ITS) improvements installed around the City. Additionally, as of July 1, 2017 the City of Largo no longer retains responsibility for operation and maintenance of traffic signal systems that belong to the Florida Department of Transportation (FDOT) as the cost and responsibility have been transferred to Pinellas County.

A copy of the Interlocal Agreement has been sent electronically to the City Commission and posted to the website.
