Presenter: Vivian Gleaves, Interim Assistant ES Director

Department: ES – Environmental Services

**TITLE:**

**AUTHORIZATION TO PURCHASE PUMPS AND PUMP REPAIR SERVICES FOR FLYGT PRODUCTS FROM XYLEM, INC. IN THE ESTIMATED ANNUAL AMOUNT OF \$150,000**

The City of Largo Environmental Services (ES) Department operates 52 lift stations throughout the collection system. All of these lift stations contain multiple pumps requiring preventive maintenance, repairs, and replacement. The Wastewater Collections Division staff uses Flygt products in all lift stations to allow for consistent maintenance practices, interchangeability of parts, and guaranteed compatibility with other lift station components.

Xylem, Inc. is the only authorized vendor for Flygt products, repairs, and warranty work in the State of Florida east of the Apalachicola River. While other vendors may be able to perform repairs using aftermarket parts, Xylem is the only company that uses original manufacturer parts. Collection staff are satisfied with the customer service provided by Xylem during the past several years.

This annual purchase authorization will be effective for all of FY 2019.
