The purpose of this memo is to obtain City Commission approval for the second optional renewal year of Bid No. 17-C-590, Miscellaneous Manhole Rehabilitation. The City performs contract rehabilitation and repair of sanitary sewer, reclaimed water, and storm sewer systems through the use of annual purchase agreements (APA) with multiple contractors for trenchless pipe rehabilitation, manhole rehabilitation, and traditional excavation, repair and restoration. This APA is for manhole rehabilitation and repair and includes manhole cleaning, bench repair, grouting, and manhole lining services.

On March 21, 2017, the City Commission approved the award of Bid No. 17-C-590 for manhole rehabilitation to the four contractors listed below.
