AWARD OF BID NO. 19-B-645, TRENCHLESS SANITARY AND STORM SEWER REHABILITATION, TO ENVIROWASTE SERVICES GROUP, INC., HINDERLAND GROUP, INC., GRANITE INLINER, LLC, INSITUFORM TECHNOLOGIES, INC., JTV, INC., BLD SERVICES, LLC, MILLER PIPELINE, LLC, LMK PIPE RENEWAL, LLC, AND VAC VISION ENVIRONMENTAL, LLC

Engineering Services requests award of Bid No. 19-B-645, Trenchless Sanitary And Storm Sewer Rehabilitation annual purchase agreement (APA), to the nine recommended bidders. The City performs contract rehabilitation and repair of sanitary sewer, reclaimed water, and storm sewer systems through the use of an APA with multiple contractors for trenchless pipe rehabilitation, manhole rehabilitation, and traditional excavation, repair and restoration. This APA is for trenchless pipe rehabilitation, which includes wastewater and stormwater pipe cleaning, inspection, grouting and lining services.

The bids were broken into five (5) bid groups, contractors were only required to bid on groups that included services provided by their company. For example Miller Pipeline, LLC is the single vendor for group two fold and former liner and likewise JTV, Inc. and Envirowaste Services Group, Inc. are vendors for group four joint sealing with chemical grout. By awarding the APA to the nine recommended bidders, the City will be able to obtain all of the services included in all the bid groups and will be able to perform the work in a timely manner.
