Department: PD – Police Department

TITLE:

RECOGNITION OF COMMUNITY PARTNER IMPERIAL PALMS

Imperial Palms has partnered with the Largo Police Department in support of their new SafetyNet program which will begin this year.

SafetyNet is an innovative tracking technology that uses a commercially-produced tracking system to locate individuals who wander off and may become lost. Other local law enforcement agencies have implemented this program with many successful rescues and annually locates dozens of individuals using the technology.

The LPD SafetyNet initiative will provide an opportunity to reduce emergency service hours for individuals who wander, and ultimately help save lives by decreasing search times and increasing the probability of a safe return home.

Through their generous donation of \$3,300, Imperial Palms has enabled the Largo Police Department to purchase an additional 8 SafetyNet locator bracelets to be used by vulnerable seniors in our community.

Thank you for your donation and we would like to recognize Imperial Palms as an outstanding Community Partner.
