TITLE:

ORDINANCE NO. 2019-02 - FIRST READING - VACATING A TEN FOOT WIDE PORTION OF A FIFTEEN FOOT WIDE DRAINAGE AND UTILITY EASEMENT LOCATED AT 10915 130TH AVENUE

The purpose of this memorandum is to request approval for the partial vacation of a public drainage and utility easement that the City of Largo has over, under, through, and across a portion of a residential property located at 10915 130th Avenue. The applicants, Scott and Melissa Howser, have requested that the City approve the vacation of a ten foot wide portion of a fifteen foot wide drainage and utility easement in order to make more exclusive use of the land.

The vacation is being processed in accordance with Section 4.10 Level V, Vacation or Dedication of Right-of-Way or Easements, of the City Comprehensive Development Code (CDC). The applicants are requesting the partial vacation of the fifteen foot wide drainage and utility easement along the northern boundary of their property. One of the outside utility agencies requested that the northern five foot portion of the existing easement remain in place for their utility.

The proposed vacation of easement meets the appropriate standards of the CDC and has been reviewed with no objections by City Departments including the Public Works Department and the Engineering Services Department. City staff has determined that the portion of easement to be vacated is no longer necessary for public purposes. Outside utility agencies have been notified, including but not limited to: Pinellas County Utilities, Duke Energy, TECO Peoples Gas, Wide Open West, Verizon, Clearwater Gas System, Bright House Networks and Level 3 Communications, all of which provided no objections.
