Presenter: Jeff Undestad, Police Chief

Department: PD – Police Department

TITLE:

AUTHORIZATION TO PURCHASE A SITE SOFTWARE LICENSE FROM SUPERION FOR ONESOLUTION MOBILE IN THE ESTIMATED AMOUNT OF \$50,000

The Largo Police Department (LPD) requests authorization to purchase a site software license from Superior for the ONESolution Mobile system used in LPD vehicles. A site license is one unlimited user license account for all PD users and technology hardware. Moving to this model will prevent the city from purchasing individual licenses for users and hardware. LPD purchases individual user licenses yearly for new hardware and/or users. This year LPD estimates additional individual user licenses at \$38,870.00. For an additional \$11,130, LPD can purchase a site license and no longer need to purchase individual licenses creating greater flexibility with user management and long-term savings.
