THE CITY OF LARGO

EQUAL EMPLOYMENT OPPORTUNITY
AND RECRUITMENT PLAN STATEMENT

The City of Largo is an Equal Employment Opportunity employer. It is our policy that qualified people will be considered for employment, promotion, training and retention, without regard to race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status (including pregnancy and/or adopting or having custody of a child under the age of 18) or the presence or perceived presence of any sensory, mental or physical disability. This policy also applies to any veteran honorably discharged from any branch of the armed forces of the United States.

The overall goal of the City's Equal Employment Opportunity policy is to promote the recruitment of under-represented groups and eliminate barriers to hiring, promotion, training and retention of all qualified individuals.

The City Manager and the Human Resources Director assume responsibility for implementing the City of Largo's Equal Employment Opportunity and Recruitment Plan. Department directors, division managers, and supervisors are responsible for enforcing this policy and the City of Largo's discrimination and harassment policies. All employees are expected to comply with the provisions of the City's policies against harassment and discrimination.

As appointing authorities, we hereby direct that this plan be implemented in accordance with the City's Equal Employment Opportunity and Recruitment policy.

EQUAL EMPLOYMENT OPPORTUNITY
AND RECRUITMENT PLAN

The City of Largo is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, protected veteran status, or disability status.

CURRENT LAWS COVERING NON-DISCRIMINATION

Title VII of the Civil Rights Act of 1964

Protects all employees and applicants and ensures equal opportunity for employment and personnel decisions without regard to race, color, religion, sex, sexual orientation, national origin, age or disability in addition to providing a work environment free from retaliation based upon participation in the Equal Employment Opportunity (EEO) process.

Age Discrimination in Employment Act (ADEA) of 1967

Protects all who are 40 or older from discrimination because of age. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

Americans with Disabilities Act (ADA) of 1990

Protects a qualified person with a disability in the private sector and in state and local governments from discrimination. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit. The law also requires that employers reasonably accommodate the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless doing so would impose an undue hardship on the operation of the employer's business.

- Any applicant protected by current laws covering non-discrimination will be considered for employment consistent with his/her ability to perform the essential functions of the position with or without accommodation.

- The applicant's current treating physician will be provided a copy of the job description and must submit a fitness for duty release indicating applicant can perform the work required with or without accommodation.

- If accommodation is required, the physician should note the specific requirements of the accommodation with the release.
